Cayman National Corporation Supports Leadership Cayman Programme

The Cayman Islands Chamber of Commerce is pleased that Cayman National Corporation has signed on as the first local sponsor of its third year of the Leadership Cayman (LC) programme.

"Cayman National is very pleased to have been given the opportunity to once again support such a wonderful and dynamic programme" said Ana Casildo, Administrative Assistant, Cayman National Corporation Executive Offices.

LC allows class members the unique opportunity to interact with diverse, high-level community leaders and decision-makers through their attendance at a series of seminars and retreats. The fields covered range from business, government, education, media, social services, criminal justice, diversity, the arts and more.

"Cayman National has been involved as a sponsor of Leadership Cayman from the very beginning. We are obviously delighted that they are once again recognizing the positive benefits of supporting the programme and we look forward to their continued support in the future" commented Simon Garnett, Leadership Cayman 2012 Chair.

The Chamber is currently seeking sponsorships for its 2012 programme and invites interest from within its membership as well as the wider Cayman Islands community to support this positive learning experience. If interested in becoming a sponsor of the LC programme or would like to apply to participate in the 2012 programme, please visit www.leadershipcayman.ky or contact tiffany.ebanks@caymanchamber.ky.

About the Chamber and Leadership Cayman:

The Chamber's Leadership Cayman programme (LC) was developed in answer to a need to ensure men and women of all types of backgrounds could access the information and experience to help them develop as leaders within our community. The six-month programme is designed to allow

participants a deeper understanding of social, economic, business and political issues whilst developing their own personal leadership styles and nourishing community spirit.

The programme includes travel to the Sister Islands to introduce the group to some of the unique issues facing Cayman Brac and Little Cayman as smaller and less developed communities. Meeting typically every other Thursday of the month (5:00 – 9:00 p.m.), the LC group forges strong friendships as they take an inspiring journey together. Each graduating class is invited to join the LC Alumni Association and use it to network both here in the Cayman Islands and with similar overseas programmes.

The Cayman Islands Chamber of Commerce was established in 1965 and is a non-profit organization that exists to support, promote and protect member businesses and the wider community. The Chamber represents over 700 businesses and associations from every major industry sector across the islands.
