### Cayman National Corporation Sponsors Leadership Cayman Programme

The Cayman Islands Chamber of Commerce is pleased that Cayman National Corporation has once again signed on as a sponsor in the fourth year of the Leadership Cayman (LC) programme.

*"Leadership Cayman provides an opportunity for Cayman's young leaders to experience and benefit from this premier leadership programme of the Chamber of Commerce. Cayman National is indeed pleased to be on board once again as a partner",* said Claudia Welds, Senior Executive - Corporate Communications, Cayman National Corporation Ltd.

Leadership Cayman allows members the unique opportunity to interact with diverse, high-level community leaders and decision-makers through their attendance at a series of seminars and retreats. The fields covered range from business, government, education, media, social services, criminal justice, diversity, the arts and more.

"" commented Sheena Thompson, Leadership Cayman 2013 Chair.

The Chamber is currently seeking sponsorships for its 2013 programme and invites interest from within its membership as well as the wider Cayman Islands community to support this positive learning experience. If interested in becoming a sponsor of the LC programme, please contact Programmes Manager, Tiffany Dixon-Ebanks at [tiffany.ebanks@caymanchamber.ky](mailto:tiffany.ebanks@caymanchamber.ky).

About the Chamber and Leadership Cayman:

**The Chamber's Leadership Cayman programme (LC) was developed in answer to a need to ensure men and women of all types of backgrounds could access the information and experience to help them develop as leaders within our community. The six-month programme is designed to allow participants a deeper understanding of social, economic, business and political issues whilst developing their own personal leadership styles and nourishing community spirit.**

The programme includes travel to the Sister Islands to introduce the group to some of the unique issues facing Cayman Brac and Little Cayman as smaller and less developed communities. Meeting typically every other Wednesday of the month (5:00 – 9:00 p.m.), the LC group forges strong friendships as they take an inspiring journey together. Each graduating class is invited to join the LC Alumni Association and use it to network both here in the Cayman Islands and with similar overseas programmes.

The Cayman Islands Chamber of Commerce was established in 1965 and is a non-profit organization that exists to support, promote and protect member businesses and the wider community. The Chamber represents over 700 businesses and associations from every major industry sector across the islands.
