About LC: The Chamber's Leadership Cayman programme (LC) was developed in answer to a need to ensure men and women of all types of backgrounds could access the information and experience to help them develop as leaders within our community. The six-month programme is designed to allow participants a deeper understanding of social, economic, business and political issues whilst developing their own personal leadership styles and nourishing community spirit. The programme includes travel to the Sister Islands to introduce the group to some of the unique issues facing Cayman Brac and Little Cayman as smaller and less developed communities.

About the Chamber: The Cayman Islands Chamber of Commerce was established in 1965 and is a non-profit organization that exists to support, promote and protect member businesses and the wider community.
