Leadership Cayman Gives Back

The Chamber's Leadership Cayman (LC) group recently participated in their scheduled community service project on Saturday, May 10, 2014. At the beginning of the 2014 LC programme, class members were given the opportunity to select a community service project that they would be able to complete in one day. This year's chosen project was that of the National Council for Voluntary Organisations (NCVO), specifically the Nadine Andreas Foster Home, where a number of the rooms, hallways and staircases were re-painted. Project organisers **Famarz Romer, Jenni Huys, Finley Josephs** and **Barbara Anley** were all happy that **Greenlight Re** came on board as project sponsor allowing for the success of this activity.

Nasaria Chollette, Care Manager, Nadine Andreas Foster Home and **Alta Solomon**, NCVO Coordinator were pleased with the outcome of the group's efforts. **Mrs. Chollette** relayed thanks to LC members for their time. *"However unfortunate the circumstances that lead a child to be placed in foster care, the Nadine Andreas Foster Home is dedicated to ensuring the best possible care for that child. They have already lost so much... why should they not have a pleasant and inspiring place to call home until their possible reunification or adoption. This is why we appreciate so much, the generosity of the Leadership Cayman team for coming and brightening up our walls with inspiring new colours. The residents were ecstatic as they came home to find some of their favourite colours displayed in their rooms."*

"The project went off without a hitch! All of the class participants were happy to be able to improve the living conditions and brighten the home up for the residents and staff" commented **Barbara Anley**.

The Chamber's LC programme was designed to promote and enhance community leadership. Part and parcel of this leadership initiative is the opportunity to give back to a local non-for-profit or charity of their selection. The Chamber acknowledges programme sponsors including Major sponsors Dart Enterprises Ltd. and Cox Lumber and Seminar Supporting sponsors: Deloitte, Tower Marketing, Mourant Ozannes, The Alexander Hotel, Walkers, Cayman National Corporation, Endless Energy (Cayman) Ltd, Ogier, KPMG, Greenlight Re, The Portfolio of the Civil Service and Cayman Airways Ltd.

The Chamber is currently seeking a graduation sponsor for this year's programme and would welcome all to visit www.leadershipcayman.ky for further details.
