Deloitte sponsors Leadership Cayman for consecutive year

For the second consecutive year, Deloitte has come on board to sponsor Leadership Cayman's Financial Services seminar. This session took place on May 6th at the offices of Deloitte, One Capital Place in George Town, and provided the 2014 LC participants with an overview of the latest developments in the Cayman Islands financial services industry.

Odette Samson, CA, Partner, Deloitte, is happy to support the initiative and relayed *"Deloitte is proud to once again support Leadership Cayman by bringing together industry experts with promising leaders in the community to discuss the current issues and challenges facing the Financial Services sector, and its important place in our local economy."* **Steve McIntosh**, 2014 LC Chair, reiterated the importance of this sponsorship and extended warm thanks to the Deloitte team for their valuable contribution to the programme.

Leadership Cayman (LC) allows members the unique opportunity to interact with diverse, high-level community leaders and decision-makers through their attendance at a series of seminars and retreats over a six-month period. The Chamber is currently seeking sponsorship regarding its 2014 programme and invites interest from within its membership as well as the wider Cayman Islands community. If interested in becoming a sponsor of the LC programme, persons are encouraged to contact Programmes Manager, Tiffany Dixon-Ebanks at tiffany.ebanks@caymanchamber.ky.
