Caledonian ensure that LC graduates in style

The second Leadership Cayman (LC) Graduation is set for June 15th at Pappagello's Restaurant and is certainly worth celebrating as we see 18 new leaders emerge from this 6-month intensive programme. The Caledonian Group is showing their support of this Chamber programme by offering their sponsorship of the Graduation Dinner event.

"The Leadership Cayman programme allows diverse talents to develop their leadership skills and cultivate their interest and appreciation for bettering the Cayman Islands community. The intelligent and motivated participants earn the right to be considered community leaders and the team at Caledonian is proud to join the Chamber in furthering this great programme," said Steven Sokohl, Chief Financial Officer for the Caledonian Group.

Sandy Cram, LC Committee Chairman says *"This is our time to celebrate the powerful journey taken by this amazing group of community minded individuals. Not only in their learning but also in the relationships and connections they have formed along the way. Class members attended a series of seminars and retreats in fields ranging from business, government, education, media, criminal justice, the arts and more. Furthermore the class members were responsible for planning and fundraising for the class project on May 7th at the Hope for Today Foundation facilities. We are very thank-full for the generous support of The Caledonian Group for their sponsorship of the graduation dinner. Without this kind of community support this programme would not be possible."*
